

# GT's APPRENTICE PROGRAM TOOL KITS

Congratulations on securing your apprenticeship!

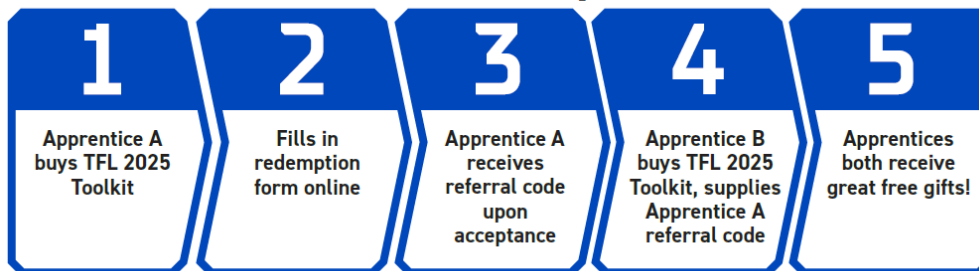

GT Industrial Sales have worked with our valued suppliers to put together some great value starter kits for various trades to assist you as you start your working life. Whether its Plumbing, Electrical, Engineering or Carpentry/Building, we can put together a specific kit for you.

If your trade is not listed above, don't stress. We can tailor a kit for you.

For those of you out there looking for a larger workshop tool kit, make sure you take advantage of the "Apprentice Only Kits" through the **Kincrome Tools For Life** program. Great bonus tools on offer via redemption, and you even get the chance to score one of these 3 Power Tool Kits, **FREE!**

## What's the basic process?

See next page for a more in depth process & details

Come and see us in store or check out the "Apprentice Zone" on our website @ [www.gtindustrial.com.au](http://www.gtindustrial.com.au), where you will find Apprentice offers from our other suppliers, including SPTOOLS, SIDCHROME & GEARWRENCH.

You can also contact either of our external Sales Representatives direct:

Tom Pohlner – 0400 806 964  
Sam Bilal – 0428 603 634

The local team at GT's have been supporting local tradies for over 30 years and we are looking forward to supporting you throughout your apprenticeship and for years to come

Kind Regards,

The GT's Team

# KINCROME

## Referral Program

### What's the process?

#### Apprentice A

1. Buys a TFL 2025 Kit
2. Fills in redemption form online
3. Kincrome Customer Service check the redemption to ensure it meets all the criteria
4. Kincrome Customer Service replies to Apprentice A advising that their redemption has been processed, along with their unique referral code

Apprentice A gives Apprentice B their referral code

#### Apprentice B

1. Buys a TFL 2025 Kit
2. Fills in redemption form online and inputs Apprentice A's referral code
3. Kincrome Customer Service check the redemption to ensure it meets all the criteria
4. Kincrome Customer Service replies to Apprentice B advising that their order has been processed along with their **own unique referral code so they can then refer an Apprentice mate as well, and if that Apprentice purchases a qualifying kit, Apprentice B gets the choice of Power Tool Kits**
5. Kincrome Customer Service contact Apprentice A and explain that their referral code has been used. They can then choose from 1 of 3 products (K23075, K23076, K23077)

18V 2 Piece  
Brushless Hammer  
Drill & Driver Combo  
K23075

18V 2 Piece  
Brushless Drill &  
Wrench Combo  
K23076

18V 2 Piece  
Brushless Wrench  
& Grinder Combo  
K23077
